AMENDMENT

Commissioner For Patents
Washington, D.C. 20231

Sir:

Responsive to the Official Action mailed February 13, 2003, please amend the above-identified application for patent as follows:

In The Claims:

1. (Currently Amended) A composition for controlling odor produced by human waste retained in a disposable hygiene product, comprising an hydroxydiphenyl ether in a modified acidic carrier provided on a base substrate material of said disposable hygiene product.

2. (Original) A composition for controlling odor as in Claim 1, wherein the hydroxydiphenyl ether is a trichlorodiphenyl ether.

3. (Original) A composition for controlling odor as in Claim 1, wherein the modified acidic carrier is an organic acid.
